

Name: _____ **'s Lesson Practice Sheet**

I understand that as a young musician I should practice everyday for at least 20 minutes.

Mr. Kroeger requires me to practice 100 minutes every week as part of my lesson grade and so I may become a better musician.

A lesson is worth 15 points. 10 points is equal to how much I practiced and 5 points is for showing up to and participating in my lesson.

I understand that my parents must intial everyday's practice and sign before each lesson in order to get credit for practice time.
